## Newsletter Autumn Term: Number 3

### HARVEST

A really big thank you to all families that sent in food for our Harvest Festival. All of the food was donated to The Good Shepherd, a charity within our community that provides a food bank for families.

### SCHOOL MEALS

We are delighted to inform you that after half term we will be changing our school meals provider from the Local Authority DSO to a private company SHIRES. We are doing this in order to improve the quality of the food that our children get at lunchtime and to provide them with a much greater choice. SHIRES will be attending parents evening to share with you the exciting changes in school lunches that will be taking place. Please see main menu and Deli menu attached.

### DINNER MONEY

Can we please remind you that dinner money must be paid on a Monday for the week ahead. You can do this by either sending in the cash into your child's class teacher in a named envelope or paying in advance on the online secure payment system.

### START AND END OF THE DAY

Can we remind families to support our children's safety at the start and the end of the day we would appreciate parents and carers ensuring the following:

- Not letting children **ride scooters and bikes** on to yard
- When children are handed over by staff to parents at the end of the **day please escort them off the yard** encouraging them to walk with you not to run off
- Not allowing your child to **climb the school fences**
- The play equipment is only to be used when children are supervised by staff so please do not allow your child to use this at the start and end of the day
- Not using children's play equipment (e.g. the pirate ship designed for children to play and sit on) to sit on to wait for your children
- Dogs are not permitted on the school grounds either walking or being carried.

Your support with the above is greatly appreciated

### PARKING

We have had several incidents of irresponsible parking and complaints from residents about parents blocking their driveways. Can we please ask parents to be mindful of where they park and do not obstruct driveways and adhere to the parking restrictions around school. Your co-operation in this matter is greatly appreciated.
