

EYFS 2017

National Outcomes 2016 (2017 not yet available)

Figure A: Percentage achieving a good level of development
England, 2013 to 2016

At a national level, 69.3 per cent of children achieved a good level of development, an increase of 3 percentage points (ppts) on 2015.

The same trend was seen in the percentage achieving at least the expected level across all early learning goals. This has increased by 3.2ppts from 2015.

The average total point score has also increased.
