

# Parent and Community Advisory Forum (PCAF)

Schools have now shared our new governance structure, which has been launched across all nine of our schools within the Academy Trust this academic year. The new structure is supported by a PCAF group for each school. These groups are designed to facilitate the sharing of parent and community input regarding various aspects of the school, ranging from curriculum matters to community connections. If you are interested in becoming a PCAF member, please contact your respective school. Appointments will take place before half term..

Every PCAF group will meet once a term to discuss, in-depth, the responses from parents around a particular topic. The responses will be gathered via an electronic FORMS which will be sent out via BROMCOM.

The focus for the autumn term will be your child's experience of their wider curriculum in school, what the extra curriculum offers available to them and homework. You will receive the FORMs on Monday 9th October. Your views and opinions are important to us and will enable us to support all of our schools across the Trust.

Creating

Futures

TOGETHER

# Trust-Wide Assemblies

This year, the Trust will be hosting a range of experiences, activities, and competitions where children from all nine schools will come together. The events have increased year on year and this year will include netball, football, cross country, multi sports, a spelling bee, debate competition as well as the opportunity to perform in the MAT Choir at next year's MAT Conference!

We have pupil leadership and school councils across schools in the Trust. In the spring term we will be offering them the chance to spend time in each other's school to identify our similarities and differences which help us to 'Create Futures Together'.

By half term, Mrs Cliff (CEO) and Ms Guest (Deputy CEO) will have visited every school to share the opportunities with the children in an assembly.

We are currently planning our fifth awards evening for the Trust where we celebrate and say 'thank you' to all the staff that work within and across our schools. The evening is supported by sponsorship.

We are currently looking for prizes for a special raffle which will be drawn on the evening.

If you know of any organisations or businesses that would like to make a contribution to the raffle prizes please contact us on [info@manormat.com](mailto:info@manormat.com)
